by TopDrawerSoccer

October 10, 2022

TopDrawerSoccer continues the fall updates of the club soccer player rankings, [presented by IMG Academy](#), on Monday. The Boys Class of 2025 is the next class released as part of this update. The refreshed regional rankings will be released on Thursday. With it early in the club season, this update relies heavily on summer youth national team call ups and postseason awards for the 2021-22 season.
