Our national club soccer player rankings are based on input from our own scouts, staff and coaches at various levels. [View the Players To Watch@ Ratings Criteria.](#)

NOTE: While we consult with many in determining player ratings and rankings, we cannot, for objectivity's sake, use the recommendation of a player's own coach or their parents. This is for the sake of accuracy, credibility and out of fairness to the coaches themselves.

If you have questions about the rankings, please email rankings@topdrawersoccer.com. Please DO NOT email support@topdrawersoccer.com as they cannot answer rankings related questions. Thank you!
